

## CERTIFICATE OF INSPECTION

|                           |                                        |                              |
|---------------------------|----------------------------------------|------------------------------|
| <b>Cert. No.:</b> 1302775 | <b>Date of Examination:</b> 19/04/2023 | <b>Sticker No.:</b> 01-38357 |
| Equipment Owner           | SUDHIR EQUIPMENT RENTAL CO.            |                              |
| Place of Inspection       | DMM YARD                               |                              |
| Equipment Type            | PORTABLE DIESEL GENERATOR              |                              |
| Manufacturer Name         | VOLVO PENTA                            |                              |
| Owner ID                  | SG-814-300                             |                              |
| Serial No.                | VEPL/2022-23/285                       |                              |
| Model                     | VEPL-300-CDP                           |                              |
| Rated Power               | 300 KVA                                |                              |
| Voltage / Frequency       | 380 V - 220 V / 60 HZ                  |                              |
| Speed                     | -                                      |                              |

At the request of SUDHIR EQUIPMENT RENTAL CO., Surveyor to BUREAU VERITAS, acting within the General Conditions of Services of the Society, attended on 19/04/2023 at DMM YARD to witness Test and/or to carry out Thorough Examination of the above-mentioned equipment as per client requirement.

### Inspection Activities:

Prior to commencing performance test, visual inspection of the equipment was carried out and no visible defects were observed. The equipment was then operated to all the functions to verify the performance of the equipment.

### Result of Inspection:

Based on the visual inspection of the PORTABLE DIESEL GENERATOR and upon post-performance test & thorough examination, the above mentioned equipment has been found free from damage and/or permanent deformation at the time of inspection & is considered to be safe for further use, subject to continuous maintenance being applied and qualified operator being employed.

### Remarks:

- Maintain regular maintenance.
- Maintain regular housekeeping

**Next Inspection Due on or before: 18/10/2023**

Issued at Al Khobar on 20/04/2023
