The technical conclusions thus expressed may have to be reconsidered in light of any modifications or alterations that would invalidate the data shown in the present certificate. These conclusions would become null & void should Bureau Veritas not be kept informed of such modifications or alterations with specific reference to the present certificate.

Any person not a party to the contract pursuant to which this document is delivered may not assert a claim against Bureau Veritas for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgement, fault or negligence committed by the personnel of the Society or of its Agents in the establishment or issuance of this document, and in connection with any activities for which it may provide.

This not is NOT an indication that the item(s) is (are) fit for any specific purpose and does not release the manufacture, supplier and any party from their respective duty, guarantee, obligation and/or indemnity relating to, without limitation patents, workmanship, materials, safety, performance in operation and/or reliability.
