THIS IS TO CERTIFY THAT the above signed competent surveyor thoroughly examined the lifting equipment in the above-mentioned place as per technical referential mentioned above. The liabilities are as per Bureau Veritas General Conditions of Services.

The technical conclusions thus expressed may have to be reconsidered in light of any modifications or alterations that would invalidate the data shown in the present certificate. These conclusions would become null and void should Bureau Veritas not be kept informed of such modifications or alterations with specific reference to the present certificate.

Any person not a party to the contract pursuant to which this document is delivered may not assert a claim against Bureau Veritas for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgment, fault or negligence committed by personnel of the Society or of its Agents in the establishment or issuance of this document, and in connection with any activities for which it may provide.

This note is NOT an indication that the item(s) is (are) fit for any specific purpose and does not release the manufacturer, supplier and any party from their respective duty, guarantee, obligation and/or indemnity relating to, without limitation, patents, workmanship, materials, safety, performance in operation and/or reliability
