

## REPORT OF INSPECTION

|                           |                                        |                              |
|---------------------------|----------------------------------------|------------------------------|
| <b>Cert. No.:</b> 2139147 | <b>Date of Examination:</b> 17/01/2026 | <b>Sticker No.:</b> 01-90078 |
| Equipment Owner           | Sudhir Equipment Rental Company        |                              |
| Place of Inspection       | Dammam Yard                            |                              |
| Equipment Type            | WELDING MACHINE                        |                              |
| Manufacturer Name         | Miller                                 |                              |
| Owner ID                  | SWM-500-037                            |                              |
| Serial No.                | NF240049R                              |                              |
| Model                     | 500XCC                                 |                              |
| Rated Power               | ( 120 - 240 V ) / 60 HZ /              |                              |
| Max. Operating Pressure   | N/A                                    |                              |
| Rated Speed               | 1800 RPM                               |                              |

At the request of Sudhir Equipment Rental Company , Surveyor to BUREAU VERITAS, acting within the General Conditions of Services of the Society, attended on 17/01/2026 at Dammam Yard to witness Test and/or to carry out Thorough Examination of the above-mentioned equipment as per BS EN 60974

### Inspection Activities:

Prior to commencing performance test, visual inspection of the equipment was carried out and no visible defects were observed. The equipment was then operated to all the functions to verify the performance of the equipment.

### Result of Inspection:

Based on the visual inspection of the WELDING MACHINE and upon post-performance test & thorough examination, the above mentioned equipment has been found free from damage and/or permanent deformation at the time of inspection & is considered to be safe for further use, subject to continuous maintenance being applied and qualified operator being employed.

### Remarks:

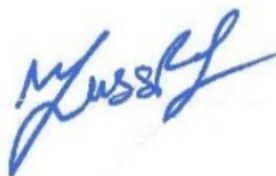

- Maintain regular maintenance.
- Maintain regular housekeeping.

### Next Inspection Due on or before: 16/07/2026

Issued at Al Khobar on 18/01/2026
