

## Certificate of Test and Thorough Examination

|                                                |                                                                         |
|------------------------------------------------|-------------------------------------------------------------------------|
| 1. Name & Address of Corporation               | JLG INDUSTRIES, INC.<br>1 JLG Drive<br>McConnellsburg, PA<br>17233-9533 |
| 2. Model                                       | 520AJ                                                                   |
| 3. Serial Number                               | E300005204                                                              |
| 4. Date of Test                                | 07 December 2017                                                        |
| 5. Safe Work Load                              | 249kg                                                                   |
| 6. Max. Platform Height                        | 16.00M                                                                  |
| 7. Max. Platform Reach                         | 10.00M                                                                  |
| 8. Max. Hydraulic Pressure                     | 207bar                                                                  |
| 9. Max. Creep over 10 min. with Safe Work Load | 0mm                                                                     |
| 10. Proof Test Load (Static)                   | 374kg                                                                   |
| 11. Kerb Weight                                | 7890kg                                                                  |

**Declaration:**

We certify that on 07 December 2017 the above machine was tested and thoroughly examined and found to be free from any obvious defects.

Business Address: JLG Manufacturing Central Europe, Aurel Vlaicu 41, 551041 Medias, Romania

Name of Examiner: **Alex Kantor**

Qualification: **Tester**

Signed on Behalf of JLG Industries, Inc.:

A handwritten signature in black ink, appearing to read 'John L. Hudock', is written over a horizontal line.

John L. Hudock,  
Director of Quality Control

**Note:**

No machine should be used unless within one year it has been tested and thoroughly examined by a competent person and a certificate of that test has been issued.

No machine should be used after a substantial alteration or repair unless it has been tested and thoroughly examined and a certificate of that test has been obtained.
