

## Certificate of Test and Thorough Examination

|                                                |                                                                         |
|------------------------------------------------|-------------------------------------------------------------------------|
| 1. Name & Address of Corporation               | JLG INDUSTRIES, INC.<br>1 JLG Drive<br>McConnellsburg, PA<br>17233-9533 |
| 2. Model                                       | 1930ES                                                                  |
| 3. Serial Number                               | B200052348                                                              |
| 4. Date of Test                                | 24 October 2018                                                         |
| 5. Safe Work Load                              | 230kg                                                                   |
| 6. Max. Platform Height                        | 5.7m                                                                    |
| 7. Max. Platform Reach                         | N/A                                                                     |
| 8. Max. Hydraulic Pressure                     | 158bar                                                                  |
| 9. Max. Creep over 10 min. with Safe Work Load | 0mm                                                                     |
| 10. Proof Test Load (Static)                   | 345kg                                                                   |
| 11. Kerb Weight                                | 1303kg                                                                  |

**Declaration:**

We certify that on 24 October 2018 the above machine was tested and thoroughly examined and found to be free from any obvious defects.

Business Address: Oshkosh-JLG (Tianjin) Equipment Technology Co.Ltd, No.228 Jing San Road, Tianjin, P.R.C. 300308

Name of Examiner: **Lizhi Cheng**

Qualification: **Production Supervisor**

Signed on Behalf of JLG Industries, Inc.:

A handwritten signature in black ink, appearing to read 'John L. Hudock', is written over a horizontal line.

John L Hudock,  
Director of Quality Control

**Note:**

No machine should be used unless within one year it has been tested and thoroughly examined by a competent person and a certificate of that test has been issued.

No machine should be used after a substantial alteration or repair unless it has been tested and thoroughly examined and a certificate of that test has been obtained.
